Last summer, Rose-Hulman lost a beloved team member, Bretta Schriner, age 27. Bretta was the Administrative Assistant in the Office of Alumni Affairs and Head Cheerleading Coach.

We would like to thank the Young Alumni Council for sponsoring a memorial brick to honor Bretta’s service to the institute. The brick lays on the north side of the Millennium Flame monument on campus.

Bretta, we miss you and love you.
-Forever Rose

As part of the Forever Rose initiative and thanks to the kindness of an anonymous donor, we have created a pilot program for a select number of current Rose-Hulman seniors and young alumni to take Dave Ramsey’s Financial Peace University course. If chosen, we will ask for your feedback on your experience, which we will share with the donor.

We all need a plan for our money. Financial Peace University (FPU) could be that plan! The plan will show you how to get rid of debt, manage your money, spend and save wisely, and much more! We will provide the options of taking a nine week course at one of FPU’s approved sites, or their online option.

If you are interested in the pilot program, please apply online at http://rosestem.rose-hulman.edu/FPU

If you recently tried to download the RH Perks App from the App Store on an Apple device with iOS 8, please be patient as the app is currently under construction to become compatible with the iOS 8 upgrade.

The version of the app for Android devices is stable and ready to be downloaded for free!

Alumni must register and/or log in to RoseSTEM, the online alumni community, to access the username and password information.
